hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the above-identified present application which would extend beyond the expiration date of the full statutory term defined in 35 USC 154 to 156 of the following commonly owned patent:

Patent No. : 6,891,139                      Issue Date: May 10, 2005

Filing Date: February 25, 2004

Any patent granted on the above-identified present application shall be enforceable only for and during such period that the patent granted on the above-identified present application is commonly owned with said commonly owned patent.

This Agreement is to run with any patent granted on the above-identified present application and to be binding upon the grantee, its successors or assigns.

In making the above disclaimer, there is no disclaimer of the terminal part of any patent granted on the above-identified present application that would extend to the expiration date of the full statutory term as defined in 35 USC 154 to 156 of said commonly owned patent in the event that said commonly owned patent later: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a Court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321, has all claims cancelled by a reexamination certificate, is reissued or is in any manner terminated prior to the expiration of its full statutory term.

The undersigned is an attorney of record of the above-identified present application.

The undersigned has been authorized to sign this Terminal Disclaimer on behalf of the above-identified owner.

Enclosed is a Form PTO-2038 in the amount of \$130 to cover the USPTO fee under 37 CFR 1.20(d). If any further fees are required, authorization is given to charge the same against Deposit Account 06-1378.
